## Prints Catalogue

Tracy Beattie established Crafty Coast in 2012. She is an Artist living on Northern Ireland's famous North Coast. Within a gull's swoop of the Giant's Causeway and a crab's scuttle of Carrick-a-Rede Rope Bridge, she is inspired by the rugged beauty and soaring seagulls around here. She invites you to come into her world and see the coast from a different perspective.

Please allow us to introduce the one and only Archie the Gull and his wonderful friends...

Share in the adventures of Archie the Gull and his best friend Max the Crab. In his daily adventures, Archie is joined by his long-time love, Gracie the Gull, along with a host of other loveable creatures. Together they take on life and all the fun that living by the sea provides.
